Punjabi University,
Patiala.

14th August, 2018

Sub: Approval for Organizing a demo session of GRE in your campus

Dear Sir,

We are launching a new MBA and MS preparation programme specially targeted for Punjabi University Students. The programme aims to equip these students with the relevant skills to crack the GRE and GMAT Exams respectively.

In line with the above, we want to conduct a Demo Class for the aspiring students to enlighten them about the test. We request you to kindly approve to organize the class on 21st August 2018, and allot us a classroom or a hall for the session. Also, please permit us to use our promotional content on the campus notice boards to spread awareness among the students.

— Training & Placement officer
